ISMA 2010
4th International Symposium on Molecular Allergology
29 – 31 October 2010 · Munich, Germany

Early Web-Registration deadline: 31 August 2010
Abstract Submission deadline: 6 September 2010

www.eaaci-isma2010.com
**Highlights**

- Novel concepts in molecular allergology
- Structural and functional biology of allergens
- Changing gears: allergenic molecules for allergy diagnosis
- Allergenic molecules from special sources
- Indoor and outdoor allergen measurements
- Immunomonitoring of allergen-specific immunotherapy with allergenic molecules
- Improving allergen-specific immunotherapy with allergenic molecules
- Genetics of allergic diseases
- Animal models of allergic diseases
- Diagnostic and therapeutic use of allergenic molecules in food allergy

**Interactive Workshops/Poster Sessions/Lunch Symposium**

- Allergome School 2010
- Recombinant allergen expression – methods and caveats
- Allergen microarrays
- Allergens: identification, structure and function
- How to implement molecular allergology in clinical practise

**Organising Committee**

- Markus Ollert (Local Chair), Germany
- Stefan Vieths (Co-Chair), Germany
- Adriano Mari (Co-Chair), Italy
- Thomas Werfel, Germany
- Fatima Ferreira, Austria
- Stephan Weidinger, Germany
- Cezmi Akdis, Switzerland

**Conference Organiser**
