**PL 1 25 years of recombinant allergens: Pitfalls and benefits**

*This session may include Voting with the app. Download the EAACI app and select EAACI Congress 2016.

**Chairs:**
Antonella Muraro, Italy
Barbara Bohle, Austria

- **What have recombinant allergens taught us?**
  Heimo Breiteneder, Austria
  08:30 – 09:00

- **Recombinant allergens: Really better than extracts?**
  Stefan Vieths, Germany
  09:00 – 09:30

- **Recombinant allergens: Revolutionising allergy diagnosis and treatment?**
  Marek Jutel, Poland
  09:30 – 10:00

---

**PL 3 Neutrophils: Too long ignored in allergy**

*This session may include Voting with the app. Download the EAACI app and select EAACI Congress 2016.

**Chairs:**
Liam O'Mahony, Switzerland
Edward Knol, Netherlands

- **Networking of neutrophils within the immune system**
  Marco Cassatella, Italy
  09:00 – 09:30

- **Neutrophils and contact hypersensitivity**
  Stefan Martin, Germany
  09:30 – 10:00

- **The IL-17/IL-26/neutrophil axis in asthma**
  Anders Linden, Sweden
  10:00 – 10:30
PL 5 Allergy: Cause or consequence of epithelial barrier dysfunction?
*This session may include Voting with the app. Download the EAACI app and select EAACI Congress 2016.

**Chairs:**
Thomas Bieber, Germany
Peter Schmid-Grendelmeier, Switzerland

- **Epithelial responses: Gateway to allergic sensitisation**
  Hamida Hammad, Belgium
  08:30 – 09:00

- **Viral and bacterial products modulating “allergic” inflammation in epithelia**
  Donna Davies, United Kingdom
  09:00 – 09:30

- **Cornification deficiency of the skin and its consequences for allergy**
  Natalija Novak, Germany
  09:30 – 10:00

PL 6 Wrapping up immunotherapy
*This session may include Voting with the app. Download the EAACI app and select EAACI Congress 2016.

**Chairs:**
Peter Hellings, Belgium
Nikos Papadopoulos, Greece

- **AIT in food allergy**
  Kirsten Beyer, Germany
  08:30 – 09:00

- **Desensitisation versus tolerance**
  Wayne Shreffler, United States
  09:00 – 09:30

- **Novel biomarkers in AIT**
  Mohamed Shamji, United Kingdom
  09:30 – 10:00
