Table S1 Details of authors

Name	Discipline, expertise	Institution	Geographical location	Description of role in guideline
Susanne Halken	Professor, Consultant in Paediatrics and Paediatric Allergology	Hans Christian Andersen Children's Hospital, Odense University Hospital	Odense, Denmark	Member of Chairs group. Chair of EAACI AIT Guidelines Prevention Task Force. Critically reviewed draft guideline
Désirée Larenas-Linnemann	Allergist and Pediatrician, National Investigator grade II, Head Allergy Clinic and Allergy Consultant at Hospital Médica Sur.	Center of Excellence in Asthma and Allergy, Hospital Médica Sur	Mexico City, Mexico	Member of Prevention TF. Participation online and at guideline meetings in planning and evaluating evidence and in formulating recommendations and in writing and editing of manuscripts
Graham Roberts	Professor of Paediatric Allergy and Respiratory Medicine	The David Hide Asthma and Allergy Research Centre, St Mary's Hospital; NIHR Biomedical Research Centre, University Hospital Southampton NHS Foundation Trust; Faculty of Medicine, University of Southampton	Newport Isle of Wight, Southampton, UK	Involved in the planning of the guideline document; critically reviewed draft guideline; coordinator of the guidelines project.
Moisés A. Calderon	Lead for immunotherapy	Allergy and Clinical Immunology, National Heart and Lung Institute, Imperial College London	London, UK	Member of the prevention TF, developed approach to developing the guideline, involved in critically revising the draft guideline.
Elizabeth Angier	General Practitioner with an Interest in Allergy	Department of Clinical Immunology and Allergy, Northern General Hospital	Sheffield, UK	Member of chairs group. Critically reviewed, minor comments on drafts, member guideline group
Ioana Agache	Associate Professor Allergy and Clinical Immunology	Transylvania University Brasov, Faculty of Medicine, Department of Allergy and Clinical Immunology	Brasov, Romania	Review and approval of the manuscript
Ignacio J. Ansetegui	MD, PhD. President Elect of the World Allergy Organization (WAO). Head of the Department of Allergy & Immunology	Department of Allergy & Immunology, Hospital Quironsalud Bizkaia	Bilbao, Spain	Member of the Prevention TF. Reviewing and manuscript approval
Stefania Arasi	Pediatrician, pediatric allergologist, metodologist, MD, PhD	Department of Pediatrics, Allergy Unit, University of Messina, Italy and Department of Pediatric Pneumology and Immunology, Charité Universitätsmedizin Berlin	Messina, Italy; Berlin, Germany	Methodologist. Participation at guideline meetings and writing and editing of manuscripts
George Du Toit	Consultant in Paediatric Allergy	Division of Asthma, Allergy and Lung Biology, Department of Paediatric Allergy, MRC & Asthma Centre in Allergic Mechanisms of Asthma, King's College London; St Thomas NHS Foundation trust	London, UK	Member of the Prevention TF. Reviewing and manuscript approval
Montserrat Fernandez-Rivas	MD, PhD, Allergist, Head Allergy Department Hospital Clinico San Carlos, Associate Professor Medicine Universidad Complutense de Madrid	Allergy Department, Hospital Clinico San Carlos, IdISSC	Madrid, Spain	Co-chair of the AIT guideline for IgE mediated food allergy; member of the steering committee of EAACI AIT guidelines

Table S1 Continued

Name	Discipline, expertise	Institution	Geographical location	Description of role in guideline
Roy Gerth van Wijk	Professor of Allergology	Section of Allergology, Department of Internal Medicine, Erasmus Medical Center	Rotterdam, the Netherlands	Member chairs group, chair primary care & health economics, conception, drafting, revising and approval of papers
Marek Jutel	Prof. dr hab.	Wroclaw Medical University, Wroclaw, Poland; ALL-MED Medical Research Institute	Wroclaw, Poland	Member of chairs group. Reviewing and manuscript approval
Joerg Kleine-Tebbe	Professor, MD	Allergy & Asthma Center Westend	Berlin, Germany	Member of the Prevention TF. Reviewing and manuscript approval
Susanne Lau	Professor of Pediatrics. Section Head for Pediatric Pneumology and Allergy.	Department of Pediatric Pneumology and Immunology, Charité Universitätsmedizin	Berlin, Germany	Chair of Asthma Guideline TF. Participation at guideline meetings and writing and editing of manuscripts
Paolo Maria Matricardi	Senior Scientist. Head of the Molecular Allergology and Immunomodulation Working Group	Molecular Allergology and Immunomodulation-Department of Pediatric Pneumology and Immunology, Charité Medical University	Berlin, Germany	Member of Prevention TF. Critical reviewing and manuscript approval
Giovanni B. Pajno	Professor of Pediatrics; Consultant of Pediatric Allergology	Department of Pediatrics, Allergy Unit, University of Messina	Messina, Italy	Member of Chairs Group. Chair of EAACI AIT Food Allergy Task Force Guidelines Member of EAACI AIT Guidelines Prevention Task Force. Critically reviewed draft guideline
Nikolaos G. Papadopoulos	Professor of Allergy & Paediatric Allergy	Institute of Human Development, University of Manchester, Manchester, UK; Allergy Department, 2nd Pediatric Clinic, University of Athens, Athens, Greece	Manchester, UK; Athens, Greece	Reviewing and manuscript approval
Martin Penagos	Paediatric allergist. Clinical Researcher.	Section of Allergy and Clinical Immunology, National Heart and Lung Institute, Imperial College London, Royal Brompton Hospital	London, UK	Member of Prevention TF. Participation at guideline meetings and reviewing the manuscripts.
Oliver Pfaar	Associate Professor of Otorhinolaryngology, Otorhinolaryngologist, Allergist	Department of Otorhinolaryngology, Head and Neck Surgery, Universitätsmedizin Mannheim, Medical Faculty Mannheim, Heidelberg University; Center for Rhinology and Allergology	Mannheim, Wiesbaden, Germany	Member of Prevention TF; member of Chairs group; Co-chair of ARC-TF; participation at TF-meetings; reviewing, editing and final approval of manuscript
Dermot Ryan	Retired GP. Clinical Research Fellow	Usher Institute of Population Health Sciences and Informatics, University of Edinburgh Medical School	Edinburgh, UK	Member of Prevention TF. Reviewing and manuscript approval
Alexandra Santos	Senior Clinical Lecturer in Paediatric Allergy	Department of Paediatric Allergy, Division of Asthma, Allergy and Lung Biology, King's College London, Guy's and St Thomas' Hospital NHS Foundation Trust	London, UK	Member of Prevention TF. Review and approval of the manuscript
Gunter Sturm	Associate Professor of Dermatology and Venereology Head	Department of Dermatology and Venereology, Medical University of Graz; Outpatient Allergy Clinic Reumannplatz	Vienna, Austria	Member of chairs group. Review and approval of the manuscript

Table S1 Continued

Name	Discipline, expertise	Institution	Geographical location	Description of role in guideline
Frans Timmermans	Health, Safety, Environment and Quality Consultant and acting as Secretary General of NAN/EAT	Netherlands Anaphylaxis Network – European Anaphylaxis Taskforce	Dordrecht, the Netherlands	Critically reviewed, minor comments on drafts, member guideline group
Eva-Maria Varga	Associate Professor of Paediatrics; Consultant Paediatric Pulmonologist and Allergist	Department of Pediatric and Adolescent Medicine, Respiratory and Allergic Disease Division, Medical University of Graz	Graz, Austria	Chair Venom TF; TF-Member AR-TF. Review and approval of the manuscript
Ulrich Wahn	Prof. Dr. med. Chief Editor, Pediatric Allergy and Immunology	Department for Ped Pneumology and Immunology, Charite	Berlin, Germany	Member of Prevention TF. Review and approval of the manuscript
Ronald van Ree	Professor of Molecular and Translational Allergy	Departments of Experimental Immunology and of Otorhinolaryngology, Academic Medical Center, University of Amsterdam	Amsterdam, the Netherlands	Conception, drafting, reviewing, approval manuscript
Maria Kristiansen	Associate professor of health services research	Section for Health Services Research, Department of Public Health, University of Copenhagen	Copenhagen, Denmark	Methodologist and contributing to the editing of the manuscript.
Sangeeta Dhani	GP, Director of Evidence Based Health Care Ltd	Evidence-Based Health Care Ltd	Edinburgh, UK	Methodologist. Involved in carrying out the systematic review and cross-checking evidence in guidelines
Aziz Sheikh	Professor of Primary Care Research & Development and Consultant Paediatric Allergist	Asthma UK Centre for Applied Research, Usher Institute of Population Health Sciences and Informatics, The University of Edinburgh Medical School	Edinburgh, UK	Lead methodologist and contributing to the writing and editing of the manuscript
Antonella Muraro	Professor of Pediatric Allergy_Head of the Food Allergy Referral Centre Department of Women and Child Health	Department of Mother and Child Health, The Referral Centre for Food Allergy Diagnosis and Treatment Veneto Region, University of Padua	Padua, Italy	Chair of the Guidelines project; involved in the planning of the guideline document; critically reviewed draft guideline. Member of Prevention TF. Review and approval of the manuscript

All authors fulfil the international and EAACI authorship criteria
