⁴⁰Austrian Lung Union, Vienna, Austria
- ⁴¹Section of Allergology, Department of Internal Medicine, Erasmus MC Rotterdam, The Netherlands
⁴²Evidence-Based Health Care Ltd, Edinburgh UK
⁴³University of Bradford, School of Pharmacy, UK
- ⁴⁴Asthma UK Centre for Applied Research, Usher Institute of Population Health Sciences and Informatics, University of Edinburgh, Edinburgh, UK
- ⁴⁵Food Allergy Referral Centre Veneto Region Department of Women and Child Health Padua General University Hospital, Italy

Table S1 Details of authors

Name	Discipline, expertise	Institution	Geographical location	Description of role in guideline
Ronald van Ree	Professor of Molecular and Translational Allergology	Departments of Experimental Immunology and of Otorhinolaryngology, Academic Medical Center, University of Amsterdam	Amsterdam, The Netherlands	Conception, drafting, reviewing, approval manuscript
Graham Roberts	Professor of Paediatric Allergy and Respiratory Medicine	The David Hide Asthma and Allergy Research Centre, St Mary's Hospital; NIHR Biomedical Research Centre, University Hospital Southampton NHS Foundation Trust; Faculty of Medicine, University of Southampton	Newport Isle of Wight, Southampton, UK	Involved in the planning of the guideline document; critically reviewed draft guideline; coordinator of the guidelines project.
Eva-Maria Varga	Associate Professor of Paediatrics; Consultant Paediatric Pulmonologist and Allergist	Department of Pediatric and Adolescent Medicine, Respiratory and Allergic Disease Division, Medical University of Graz	Graz, Austria	Chair of Venom Guideline; TF-Member AR-TF; writing and editing of manuscripts.
Antonella Muraro	Professor of Pediatric Allergy; Head of the Food Allergy Referral Centre Department of Women and Child Health	Department of Mother and Child Health, The Referral Centre for Food Allergy Diagnosis and Treatment Veneto Region, University of Padua	Padua, Italy	Chair of the Guidelines project; involved in the planning of the guideline document; critically reviewed draft guideline.
Susanne Lau	Professor of Pediatrics. Section Head for Pediatric Pneumology and Allergy.	Department of Pediatric Pneumology and Immunology, Charité Universitätsmedizin	Berlin, Germany	Chair of Asthma Guideline TF. Participation at guideline meetings and writing and editing of manuscripts
Aziz Sheikh	Professor of Primary Care Research & Development and Consultant Paediatric Allergist	Asthma UK Centre for Applied Research, Usher Institute of Population Health Sciences and Informatics, The University of Edinburgh Medical School	Edinburgh, UK	Lead methodologist and contributing to the writing and editing of the manuscript
Giovanni B. Pajno	Professor of Pediatrics; Consultant of Pediatric Allergology	Department of Pediatrics, Allergy Unit, University of Messina	Messina, Italy	Member of Chairs Group. Chair of EAACI AIT Guidelines Food Allergy- Task Force
Sangeeta Dhani	GP, Director of Evidence Based Health Care Ltd	Evidence-Based Health Care Ltd	Edinburgh, UK	Involved in carrying out the systematic review and cross-checking evidence in guidelines
Stefania Arasi	Pediatrician, pediatric allergologist, methodologist, MD, PhD	Department of Pediatrics, Allergy Unit, University of Messina, Italy and Department of Pediatric Pneumology and Immunology, Charité Universitätsmedizin Berlin	Messina, Italy; Berlin, Germany	Methodologist. Participation at guideline meetings and writing and editing of manuscripts
Hadar Zaman	Senior Lecturer in Pharmacy Practice	School of Pharmacy and Medical Sciences, Faculty of Life Sciences, University of Bradford	Edinburgh, UK	Methodologist, reviewer of guidelines
Roy Gerth van Wijk	Professor of Allergology	Section of Allergology, Department of Internal Medicine, Erasmus Medical Center	Rotterdam, the Netherlands	member chairs group, chair primary care & health economics, conception, drafting, revising and approval of papers
Elizabeth Angier	General Practitioner with an Interest in Allergy	Department of Clinical Immunology and Allergy, Northern General Hospital	Sheffield, UK	critically reviewed, comments on drafts, member guideline group and commented from primary care perspective

Table S1 Continued

Name	Discipline, expertise	Institution	Geographical location	Description of role in guideline
Ervin Mingomataj	Associate Professor of Allergology and Clinical Immunology	Department of Allergology and Clinical Immunology, Mother Theresa School of Medicine, Department of Paraclinical Disciplines, Faculty of Technical Medical Sciences, Medicine University of Tirana	Tirana, Albania	Member of Venom Immunotherapy TF
Thilo Jakob	Professor of Dermatology and Allergology	Department of Dermatology and Allergology, University Medical Center Gießen and Marburg (UKGM), Justus Liebig University Gießen	Gießen, Germany	Member of Venom Immunotherapy TF; was involved drafting the manuscript.
Betül Ayşe Sin	Professor of Pulmonary Diseases, Allergy and Clinical Immunology	Department of Pulmonary Diseases, Division of Immunology and Allergy, Faculty of Medicine, Ankara University	Ankara, Turkey	Member of Venom Immunotherapy TF; was involved drafting the manuscript.
M. Beatrice Bilò	Associate Professor Consultant of Allergology	Allergy Unit, Department of Internal Medicine, University Hospital of Ancona	Ancona, Italy	Member of Venom Immunotherapy TF; was involved drafting the manuscript.
Mitja Kosnik	Professor of Internal Medicine	Medical Faculty Ljubljana, University Clinic of Respiratory and Allergic Diseases Golnik	Golnik, Slovenia	Member of Venom Immunotherapy TF; was involved drafting the manuscript.
Valerio Pravettoni	Consultant, responsible for the Allergy outpatient clinic	UOC Clinical Allergy and Immunology, IRCCS Foundation Ca' Granda Ospedale Maggiore Policlinico	Milan, Italy	Member of Venom Immunotherapy TF; was involved drafting the manuscript.
Cezmi A. Akdis	Professor of Medicine & Clinical and Experimental Immunology	Swiss Institute of Allergy and Asthma Research, University Zurich	Davos, Switzerland	Member of Venom Immunotherapy TF; was involved drafting the manuscript.
Holger Mosbech	Senior consultant, Allergy and pulmonology	Allergy Clinic, Copenhagen University Hospital Gentofte	Gentofte, Denmark	Member of Venom Immunotherapy TF; was involved drafting the manuscript
Dimitris Mitsias	Allergist	Department of Allergy and Clinical Immunology, 2nd Pediatric Clinic, University of Athens	Athens, Greece	Member of Venom Immunotherapy TF
Markus Ollert	Director; Professor of Clinical Allergology	Department of Infection and Immunity, Luxembourg Institute of Health (LIH), Esch-sur-Alzette; Department of Dermatology and Allergy Center, Odense Research Center for Anaphylaxis, University of Southern Denmark	Luxembourg; Odense, Denmark	Member of Venom Immunotherapy TF; was involved drafting the manuscript.
Darío Antolín-Américo	Clinical Professor	Immune System Diseases Department-Allergy Unit. Príncipe de Asturias University Hospital. Department of Medicine and medical specialties. Universidad de Alcalá	Madrid, Spain	Member of Venom Immunotherapy TF; was involved drafting the manuscript.
Ewa Cichońka Jarosz	Assoc. Prof of Pediatrics and Allergology	Department of Pediatrics, Jagiellonian University Medical College	Krakow, Poland	Member of Venom Immunotherapy TF; was involved drafting the manuscript.
Hanneke Oude Elberink		Department of Allergology and Internal Medicine, University of Groningen, University Medical Hospital Groningen, Groningen, The Netherlands; Groningen Research Center for Asthma and COPD (GRIAC)	Groningen, The Netherlands	Member of Venom Immunotherapy TF; was involved drafting the manuscript.

Table S1 Continued

Name	Discipline, expertise	Institution	Geographical location	Description of role in guideline
Dermot Ryan	Retired GP. Clinical Research Fellow	Usher Institute of Population Health Sciences and Informatics, University of Edinburgh Medical School	Edinburgh, UK	Reviewing and manuscript approval
Otto Spranger	Patient Representative	Austrian Lung Union	Vienna, Austria	Patient Representative
Gunter Sturm	Associate Professor of Dermatology and Venerology	Department of Dermatology and Venerology, Medical University of Graz; Outpatient Allergy Clinic Reumannplatz	Graz, Vienna, Austria	Chair of Venom Guideline; TF-Member AR-TF; writing and editing of manuscript.
Joanna Lange	Senior Lecturer in Pediatric Pulmonology and Allergy; Consultant of Pediatric Pulmonology and Allergy	Department of Pediatric Pneumonology and Allergy, Medical University of Warsaw	Warsaw, Poland	Member of Venom Immunotherapy TF
Radoslaw Gawlik	Associate Professor of Allergology and Internal Medicine	Department of Internal Medicine, Allergy and Clinical Immunology, Medical University of Silesia	Katowice, Poland	Member of Venom Immunotherapy TF
Oliver Pfaar	Associate Professor of Otorhinolaryngology, Otorhinolaryngologist, Allergist	Department of Otorhinolaryngology, Head and Neck Surgery, Universitätsmedizin Mannheim, Medical Faculty Mannheim, Heidelberg University; Center for Rhinology and Allergology	Mannheim, Wiesbaden, Germany	Member of Venom Immunotherapy TF and co-chair of ARC-TF; participation at TF-meetings; involved in conceptualizing the guidelines; reviewing, editing and final approval of manuscript
Constantinos Pitsios	Teaching Faculty Member; Physiology, Allergology, Immunology	Medical School, University of Cyprus	Nicosia, Cyprus	Member of Venom Immunotherapy TF; was involved drafting the manuscript.
Susanne Halken	Professor, Consultant in Paediatrics and Paediatric Allergology	Hans Christian Andersen Children's Hospital, Odense University Hospital	Odense, Denmark	Member of Chairs group.
Franziska Rueff	Professor of Dermatology and Allergology	Klinik und Poliklinik für Dermatologie und Allergologie, Klinikum der Universität München	Munich, Germany	Member of the IG Insect Venom Allergy, participation at guideline meetings, drafting, revising and approval of the venom Guideline
Marek Jutel	Professor of Internal Medicine, Allergology and Clinical Immunology; Head of Department of Clinical Immunology	Wroclaw Medical University, Wroclaw, Poland; ALL-MED Medical Research Institute	Wroclaw, Poland	Participation in guideline meetings, editing of manuscript
Moisés A. Calderon	Professor of Internal Medicine and Clinical Allergy	Allergy and Clinical Immunology, National Heart and Lung Institute, Imperial College London	London, UK	Member of Venom Immunotherapy TF; editing of manuscript
