

### **Terms and Conditions**

1. Authors can modify the author information, category and core data of their abstract directly on the submission system until the deadline given. Please be aware that there will be no extension possible.
2. No trade names of products are allowed in oral or poster presentations. Non-proprietary (generic, chemical) names of drugs should be used. Company names can be used in the authors' affiliation and as a source to a material mentioned in the body of the abstract, such as "Imiquimod (3M, Milwaukee, USA) was used to stimulate dendritic cells".
3. Abstracts will be reviewed by an expert panel of reviewers. Acceptance of the submitted work is at the discretion of the Scientific Committee.
4. In case the abstract submitter is not the presenting author, the abstract submitter only receives the abstract submission confirmation email. Further communication will be directed to the presenting author only.  
The presenting author of an abstract must register for the meeting by the given deadline. If EAACI does not receive your registration and payment by the deadline, your abstract will be removed from the programme.
5. Consent for publication of individual patient data - **applies to abstracts with identifiable patient information.**  
For the publication of an abstract that contains identifiable information about patients it is necessary that patients have given consent for the research to be published. For all abstracts that include identifiable patient details (e.g. gender, age, illness, location) or images, written informed consent for the publication of these must be obtained from the patient (or their parent or legal guardian).  
By agreeing to these terms I confirm that:
  - a) Written informed consent for publication of this clinical details and/or clinical images was obtained from the patient/parent/guardian/relative of the patient. (Please include a respective statement in your abstract text.)
  - b) the final decision on whether consent to publish is required lies with EAACI
6. Duplication of publications  
EAACI does not accept re-submissions; abstracts must correspond to original, previously unpublished work. By submitting this abstract I confirm that I have not presented/plan to present and publish the abstracts at another meeting, and that I have not submitted/ published the full paper.
