Planned Actions:

New Task Forces,

Proposals

Education

A Summer school

Educating young researcher

Training clinicians (bazar, meet the professors, PGC). Is this enough???

Join and work with other IG (Epidemiology????)

Today's pollen count: Demonstration of Jordina Belmonte' team in the hall of EAACI congress in Barcelona, with a pollen trap and daily pollen analysis

Clinical village: The Clinical Village will offer an excellent opportunity for attendees to try out different procedures and equipment used in the diagnosis and treatment of allergic diseases. It will provide a perfect platform to explore a combination of both theoretical and practical topics, both for specialists-in-training as well as for clinicians wanting to update themselves on topics adjacent to their core business. But WHERE ARE WE?

Budget:

IG running expenses: 1000 €
IG Educational activities: 2000 €
TF: 5000 € each
ICON: 5000 € but this can be increased
Summer School (all expenses paid by EAACI)

To be proposed for Vienna 2016:

Hot Topics
Pro CON
PG Courses
Meet the professor

We must organize a summer school in 2 years: may be a course on aerobiology in Munich in August 2016. Estelle Levetin may be approached for a lecture on pollen and spore and M.Ziska on pollen Genetic on aerobiology: Pascal Poncet?
Other topic: Indoor air: perhaps some people from CSTB France

Remember: Next **European Symposium on Aerobiology** in Lyon July 18th 22^{sd}
