

## EAACI Allergy School

### Immunotherapy in children for the treatment of respiratory and food allergy

20 - 22 September 2018, Barcelona, Spain

## Preliminary Programme

### Thursday, 20 September 2018

- |                      |  |
|----------------------|--|
| 13:00 - 15:00        | Registration   |
| 15:00 - 15:05        | Welcome address<br><i>Montserrat Alvaro, Spain</i>   |
| <b>15:05 - 16:30</b> | <b>Session I - Basic science in allergen immunotherapy (AIT)</b><br><i>Chairs: Montserrat Alvaro, Spain / Lars Jacobsen, Denmark</i> |
| 15:05 - 15:25        | Immunotherapy: are there any differences between adults and children?<br><i>Mohamed Shamji, United Kingdom</i>                       |
| 15:25 - 15:45        | New strategies in AIT biomarkers based on metabolomics<br><i>Domingo Barber, Spain</i>   |
| 15:45 - 16:05        | Biomarkers of desensitisation/tolerance in food allergy AIT<br><i>Carmen Riggioni, Spain</i>   |
| 16:05 - 16:30        | Open debate with speakers  |
| 16:30 - 17:00        | Coffee break   |
| <b>17:00 - 18:30</b> | <b>Session II - Uses of AIT in respiratory allergy</b><br><i>Chairs: Oliver Pfaar, Germany / Mohamed Shamji, UK</i>                  |

- 17:00 - 17:20 Preventive effect of AIT over the atopic march  
*Susanne Halcken, Denmark*
- 17:20 - 17:40 What is the evidence in AIT for allergic rhinitis in children?  
*Graham Roberts, United Kingdom*
- 17:40 - 18:00 What is the evidence in AIT for asthma in children?  
*Pablo Rodríguez del Río, Spain*
- 18:00 - 18:30 Open debate with speakers
- 19:00 - 21:00 Welcome reception

## Friday, 21 September 2018

**08:30 - 10:00**

### **Session III - Present and future of respiratory AIT**

*Chairs: Graham Roberts, United Kingdom / Carmen Riggioni, Spain*

08:30 - 08:50

Advances in adjuvants for AIT  
*Mohamed Shamji, United Kingdom*

08:50 - 09:10

The role of placebo effect in AIT  
*Lars Jacobsen, Denmark*

09:10 - 09:30

Current standards in AIT clinical trial design and future needs  
*Oliver Pfaar, Germany*

09:30 - 10:00

Open debate with speakers

10:00 - 10:30

Coffee break

**10:30 - 12:25**

### **Practical workshops I**

Topic 1: Mixing allergens / Treating the polysensitized patient  
*Chairs: Domingo Barber, Spain; Lars Jacobsen, Denmark*

Topic 2: Provocation tests to inhalant allergens  
*Chairs: Oliver Pfaar, Germany; Ozlem Cavkaytar, Turkey*

Topic 3: How to set up an inhalant immunotherapy service  
*Chairs: Graham Roberts, United Kingdom; Alberto Alvarez-Perea, Spain*

12:25 - 14:00

Lunch

**14:00 - 14:45**

### **Poster discussion Session I**

*Chairs: Margitta Worm, Germany / Pasquale Comberiati, Italy*

*P01 - P05*

*P06 - P10*

**14:45 - 16:15**

### **Session IV - Strategies for treating food allergy**

*Chairs: Antonella Muraro, Italy / Montserrat Alvaro, Spain*

14:45 - 15:05

The five Ws in food AIT: who, what, when, where and why?  
*Marta Vazquez-Ortiz, United Kingdom*

- 15:05 - 15:25 Challenges in developing IT in Non-IgE mediated food allergies  
*Antonella Cianferoni, United States*
- 15:25 - 15:45 Food AIT, beyond the oral route  
*Giovanni Pajno, Italy*
- 15:45 - 16:15 Open debate with speakers
- 16:15 - 16:45 Coffee break
- 16:45 - 17:45 Pro-con debate - To treat or not to treat. Food AIT: is it worth it?**  
Chairs: *Alberto Alvarez-Perea, Spain / Carmen Riggioni, Spain*  
**Pro:** *Pablo Rodríguez del Río, Spain*  
**Con:** *Margitta Worm, Germany*
- 17:45 - 19:00 Oral abstract presentation from participants**  
Chairs: *Antonella Cianferoni, United States / Susanne Halcken, Denmark*
- 20:00 - 22:00 Dinner

## Saturday, 22 September 2018

- 08:30 - 10:05 Practical workshops II**
- Topic 4: Oral immunotherapy (OIT) in milk allergy  
Chairs: *Antonella Muraro, Italy; Giovanni Pajno, Italy*
- Topic 5: OIT in egg allergy  
Chairs: *Alberto Alvarez-Perea, Spain; Carmen Riggioni, Spain*
- Topic 6: AIT in peanut allergy  
Chairs: *Pasquale Comberiati, Italy; Marta Vazquez-Ortiz, United Kingdom*
- 10:05 - 10:30 Coffee break
- 10:30 - 11:30 Poster discussion Session II**  
Chairs: *Ozlem Cavkaytar, Turkey / Domingo Barber, Spain*  
P11 – P15  
P16 – P20
- 11:30 - 13:00 Session V - Present and future of food allergy AIT**  
Chairs: *Giovanni Pajno, Italy / Pablo Rodríguez del Río, Spain*
- 11:30 - 11:50 The increasing interest of industry in food immunotherapy  
*Antonella Muraro, Italy*
- 11:50 - 12:10 Eosinophilic esophagitis as an adverse event after OIT. How to deal with it  
*Antonella Cianferoni, United States*
- 12:10 - 12:30 The future of food allergy IT  
*Marta Vazquez-Ortiz, United Kingdom*
- 12:30 - 13:00 Open debate with speakers

13:00 - 13:15

Closing remarks

*Montserrat Alvaro, Spain*
