

PAAM 2019 Programme Overview

Thursday • 17 October 2019

Time	Main Hall	Parallel Hall I	Parallel Hall II	Parallel Hall III	Parallel Hall IV
08:00-10:30		<p>HIGH LEVEL SUMMIT ON PRIMARY IMMUNODEFICIENCIES EAACI Working Group on Immunodeficiencies - Section on Immunology & Section on Pediatrics in collaboration with the Italian society for Clinical Immunology and Allergy – SIICA</p> <p>8:15: Welcome Isabella Quinti Montserrat Alvaro-Lozano</p> <p><u>Session I: From disease discovery to patient management</u> Chair: Antonella Muraro 8:30: Precision medicine for PID, Thomas Fleisher 9:00: New PIDs: from syndromes to individual disorders, Luigi Notarangelo 9:30: Next generation sequencing of PID: what, when, how, TBA 10:00-11:00: Clinical cases - 4 selected oral presentations Clinical cases award 11:15 Coffee break</p>	<p>POSTGRADUATE COURSE 2: Drug allergy</p>	<p>POSTGRADUATE COURSE 3: Allergy and Asthma Diagnosis</p>	<p>POSTGRADUATE COURSE 4: In Chinese</p>
10:30-11:00	Coffee Break				
11:00-12:30		<p>HIGH LEVEL SUMMIT ON PRIMARY IMMUNODEFICIENCIES</p> <p><u>Session II Present and future of disease treatment</u> Chair: Montserrat Alvaro-Lozano 11:30: Molecular therapy of signalling defects, TBA 12:00: HSCT for PID associated with autoimmunity, TBA 12:30: Gene therapy in PID, Alessandro Aiuti 13:00: Haploidentical HSCT in PID, Franco Locatelli 13:30: Lunch</p>	<p>POSTGRADUATE COURSE 2: Drug allergy</p> <p style="text-align: center;">Cont'd</p>	<p>POSTGRADUATE COURSE 3: Allergy and Asthma Diagnosis</p> <p style="text-align: center;">Cont'd</p>	<p>POSTGRADUATE COURSE 4: In Chinese</p> <p style="text-align: center;">Cont'd</p>
12:30-13:00	Lunch Break for Postgraduate Courses' participants				

PAAM 2019

17 – 19 October 2019
Florence, Italy

Time	Main Hall	Parallel Hall I	Parallel Hall II	Parallel Hall III	Parallel Hall IV	Posters Area
13:00-13:05	WELCOME ADDRESSES					
13:05-14:30	<p>PLENARY SESSION 1: Precision medicine in Pediatric allergy and immunology Chairs: Montserrat Alvaro-Lozano & Antonella Muraro</p> <p>Individualizing the approach to rhinitis: nasal barrier and the troublesome allergic rhinitis • Peter Hellings (Belgium)</p> <p>Early life onset of allergy: one size doesn't fit all • Erik Melen (Sweden)</p> <p>Precision medicine for immunodeficiencies • Luigi Notarangelo (USA)</p>					

Time	Main Hall	Parallel Hall I	Parallel Hall II	Posters Area
14:30-14:40	Shifting Break			
14:40-16:10	<p style="text-align: center;">SYMPOSIUM 1: Vaccines development and Immune functions early in life Chair: Harald Renz & Cecilia Berin</p> <p>Mucosal immunity and mucosal vaccine development – new antiviral strategies • Pearay L. Ogra (USA)</p> <p>The impact of different lifestyle conditions in asthma and allergy development • Donata Vercelli (USA)</p> <p>Can we get protection from asthma; the hygiene hypothesis from bench to bedside • Harald Renz (Germany)</p>	<p style="text-align: center;">SYMPOSIUM 2: Allergy and the skin Chair: Charlotte Mortz</p> <p>Allergic contact dermatitis in children • Anna Belloni Fortina (Italy)</p> <p>Practice guidelines for chronic urticaria</p> <p>New treatments for atopic dermatitis • Charlotte Mortz (Denmark)</p>	<p style="text-align: center;">WORKSHOP 1: Adherence: how much does it matter? Chair: Ulrich Wahn</p> <p>Risk factors and psychological profile for non-adherence: how to address them? • Bruce Bender (USA)</p> <p>Adherence from a patient's perspective</p> <p>Adherence: perspective from the real life • Ulrich Wahn (Germany)</p>	
16:10-16:25	Coffee Break			
16:25-17:55	ORAL ABSTRACT SESSION 1	<p style="color: red;">16:25-17:25 INDUSTRY SATELLITE SYMPOSIUM 1</p> <p style="color: red;">Supported by: Nutricia / Danone</p>		POSTER VIEWING SESSION 1
17:55-18:00	Shifting Break			
18:00-19:30	<p style="text-align: center;">SYMPOSIUM 3: Anaphylaxis management Chair: Antonella Muraro</p> <p>Understanding and predicting severity in real life</p> <p>Quantifying anaphylaxis with a severity score • Carsten Bindslev-Jensen (Denmark)</p> <p>Auto-injectors: which type and how many? • George Du Toit (UK)</p>	<p style="text-align: center;">SYMPOSIUM 4: Addressing the child's nose Chair: Antonella Muraro</p> <p>Rhinitis in children: one size doesn't fit all</p> <p>Patient's focused treatment: are current antihistamines tailored for the pediatric age?</p> <p>Quality of life in children with allergic rhinitis • Pablo Rodriguez del Rio (Spain)</p>	ORAL ABSTRACT SESSION 2	POSTER VIEWING SESSION 2
19:30-20:30	OPENING SESSION Awards Presentation			
20:15-22:00	Welcome Reception			

PAAM 2019 Programme Overview

Friday • 18 October 2019

Time	Parallel Hall III	Parallel Hall IV	Parallel Hall V (Poster Discussion)	Parallel Hall VI	Parallel Hall VII
07:30-08:30	<p>LEARNING LOUNGE 1: Controversies in allergy: hypersensitivity to antihistamines and steroids Sami Bahna (USA) & Pasquale Comberiati (Italy)</p>	<p>LEARNING LOUNGE 2: Why is this child's asthma not well controlled?</p>	<p>LEARNING LOUNGE 3: Oral Food challenge: preparation from the dietitian perspective Britt Jensen (Denmark) & Alice Toniolo (Italy)</p>	<p>LEARNING LOUNGE 4: Rash in children: it is not always allergy! Charlotte Mortz (Denmark) & Stefania Arasi (Italy)</p>	<p>LEARNING LOUNGE 5: Provocation test in children: nasal and conjunctival Jean-Luc Fauquert (France) & Ana Prieto del Prado (Spain)</p>

Time	Main Hall
08:30-10:00	<p>PLENARY SESSION 2: Frontiers in food allergy Chair: Antonella Muraro & Kirsten Beyer</p> <p>Food allergy at the cross-over between prevention, diagnosis and food allergen management • Clare Mills (UK)</p> <p>Food immunotherapy: new evidence on the mechanisms • Cecilia Berin (USA)</p> <p>Biomarkers to support decision making in clinic • Kirsten Beyer (Germany)</p>
10:00-10:30	Coffee Break

PAAM 2019

17 – 19 October 2019
Florence, Italy

Time	Main Hall	Parallel Hall I	Parallel Hall II	Parallel Hall III	Parallel Hall IV	Parallel Hall V (Poster Discussion)
10:30-12:00	<p>SYMPOSIUM 5: Managing immunodeficiency Chair: Laia Alsina</p> <p>New perspectives in immunodeficiency • Thomas Fleisher (USA)</p> <p>Immunodeficiencies and autoimmune diseases</p> <p>Gene therapy • Alessandro Aiuti (Italy)</p>	<p>SYMPOSIUM 6: Food protein enterocolitis – FPIES Guidelines (This symposium will be jointly with the FPIES USA Patient's organization)</p> <p>Pathogenesis</p> <p>What is missing in the diagnostic pathway?</p> <p>Elimination diet</p> <p>The patient's burden</p>	<p>WORKSHOP 2: Recurrent wheezing in pre-school children Chairs: Nikos Papadopoulos & Omer Kalayci</p> <p>Recurrent wheezing in pre-school children • William Sheehan (USA)</p> <p>Severe bronchiolitis profile and risk of recurrent wheeze at 3 years of age</p> <p>Role of outdoor pollution</p>		<p>ORAL ABSTRACT SESSION 3</p>	<p>POSTER DISCUSSION SESSION 1</p>
						<p>POSTER DISCUSSION SESSION 2</p>

Time	Main Hall	Parallel Hall I	Parallel Hall II	Posters Area	Parallel Hall V (Poster Discussion)	Posters Area
12:00-13:00	Lunch break			CLINICAL VILLAGE		
13:00-14:30	<p>SYMPOSIUM 7: Understanding severe asthma Chair: Eric Melen</p> <p>Understanding mechanisms and improving management • Rob Lemanske (USA)</p> <p>Uncontrolled asthma: what I am missing? • Graham Roberts (UK)</p> <p>Has allergen immunotherapy a role in asthma and severe asthma? • Susanne Lau (Germany)</p>	<p>12:15-13:15 LUNCH INDUSTRY SATELLITE SYMPOSIUM 2</p> <p>Supported by: Nestlé Nutrition Institute</p>			POSTER DISCUSSION SESSION 3	POSTER VIEWING SESSION 3
		<p>13:30-14:30 INDUSTRY SATELLITE SYMPOSIUM 3</p> <p>Supported by: Aimmune</p>			POSTER DISCUSSION SESSION 4	
14:30-16:00	<p>SYMPOSIUM 8: Food allergy from lab to clinic Chairs: Ronald van Ree & Clare Mills</p> <p>IgE and IgG towards allergen components as biomarkers of food allergy • Ronald van Ree (Netherlands)</p> <p>Food allergy severity predictions based on cellular in vitro tests • Alexandra Santos (UK)</p> <p>Hypoallergen immunotherapy for food allergy • Lars K. Poulsen (Denmark)</p>	<p>WORKSHOP 3: Should we ban the pets in 2019? Chair: Arne Host</p> <p>Pets – protective or risk factors? • Clare Murray (UK)</p> <p>Making an accurate diagnosis of pet allergy • Marianne van Hage (Sweden)</p> <p>Immunotherapy for pets: what is the evidence?</p>	<p>WORKSHOP 4: Allergen immunotherapy: what are the cost benefits? Chair: Susanne Halcken</p> <p>Socioeconomics and Health economics of allergic diseases • Job van Boven (Netherlands)</p> <p>Assessing cost effectiveness of OIT for food allergy • Matthew Greenhawt (USA)</p> <p>Immunotherapy for respiratory allergy: is the cost worthwhile?</p>	CLINICAL VILLAGE	<p>Asia Pacific Association for Pediatric Allergy, Respiriology and Immunology - APAPARI SYMPOSIUM</p> <p>“Childhood Anaphylaxis: Lessons we learn when East meets West”</p> <p>Anaphylaxis in children- What have we learnt from EuroPrevall Studies?</p> <p>Food induced anaphylaxis from Asia- the common and not-so-common allergens that you should know. • Punchama Pacharn (Thailand)</p> <p>The fishy stories of seafood allergy from around the world</p>	<p>14:30-15:10</p> <p>PRO-CON SESSION 1: Biologicals are effective and safe in food allergy PRO: David Fleischer (USA) CON: Jonathan Hourihane (Ireland)</p>
						<p>15:10-16:00</p> <p>PRO-CON SESSION 2: Intermittent Therapy with High Doses of Inhaled Glucocorticoids When Children Enter into the Yellow Zone and are Not Receiving Maintenance Inhaled Glucocorticoids is effective Chair: Graham Roberts CON: Susanne Lau (Germany)</p>
16:00-16:30		Coffee break			Coffee break	

PAAM 2019

17 – 19 October 2019
Florence, Italy

Time	Main Hall	Parallel Hall I	Parallel Hall II	Posters Area	Parallel Hall V (Poster Discussion)	Posters Area
16:30-18:00	<p>WORKSHOP 5: Drug allergy in children Chairs: Marina Atanaskovic & Elio Novembre</p> <p>Diagnosis of drug allergy in children • Francesca Mori (Italy)</p> <p>Diagnosis and management of reactions to vaccines</p> <p>Protocols for drug allergy desensitization in children</p>	<p>WORKSHOP 6: OIT for Wheat allergy Chair: Giovanni Pajno</p> <p>OIT as an effective therapy for wheat allergy?</p> <p>OIT as an effective therapy for wheat anaphylaxis</p> <p>Balancing the benefits and adverse reaction of OIT for wheat allergy • Mika Makela (Finland)</p>	<p>INDUSTRY SATELLITE SYMPOSIUM 4</p> <p>Supported by: Nutricia / Danone</p>			<p>POSTER VIEWING SESSION 4</p>

PAAM 2019 Programme Overview

Saturday • 19 October 2019

Time	Parallel Hall III	Parallel Hall IV	Parallel Hall V (Poster Discussion)	Parallel Hall VI	Parallel Hall VI
07:30-08:20	<p>LEARNING LOUNGE 6: Oral immunotherapy protocols for milk / egg</p> <ul style="list-style-type: none"> • Giovanni Pajno & Antonella Muraro • Montserrat Alvaro-Lozano & Marta Vasquez-Ortiz • Stefania Arasi 	<p>LEARNING LOUNGE 7: Oral Food challenge: preparation from the dietitian perspective</p> <ul style="list-style-type: none"> • Britt Jensen & Alice Toniolo 	<p>LEARNING LOUNGE 9 Managing allergy and asthma at school</p> <ul style="list-style-type: none"> • Rob Lemanske 	<p>LEARNING LOUNGE 10 Are skin test before oral test with betalactam necessary?</p> <ul style="list-style-type: none"> • Luis Moral, Marina Atanaskovic & Simona Barni 	<p>YEAR in Review in collaboration with PAI Chairs: Philippe Eigenmann & Doris Kollman</p> <p>Update on respiratory diseases</p> <ul style="list-style-type: none"> • Omer Kalayci (Turkey) <p>An update on epidemiology of allergic diseases</p> <p>An update on food allergy</p> <ul style="list-style-type: none"> • Alexandra Santos (UK)
Time	Main Hall	Parallel Hall I	Parallel Hall II	Parallel Hall III	
08:30-10:00	<p>PLENARY SESSION 3: Prevention of allergy and asthma: still a realistic goal?</p> <p>Chairs: David Fleischer (USA) & George Du Toit (UK)</p> <p>Can understanding of epigenetics improve prevention?</p> <p>Does targeting the skin matter for prevention?</p> <p>Prevention of food allergy – the new guideline</p> <ul style="list-style-type: none"> • Susanne Halken (Denmark) 				
10:00-10:30	Coffee break				
10:30-12:00	<p>SYMPOSIUM 9: Special products for cow's milk allergy</p>		<p>SYMPOSIUM 10: Improving care in adolescents and young people with allergies and asthma</p> <p>Chairs: Liz Angier (UK) & Marcia Podesta (Italy)</p> <p>What are the challenges?</p> <ul style="list-style-type: none"> • Katharina Blumchen (Germany) <p>Optimising self management</p> <ul style="list-style-type: none"> • Marta Vasquez-Ortiz (UK) <p>Managing anxiety</p> <ul style="list-style-type: none"> • Laura Polloni (Italy) 	<p>ORAL ABSTRACT SESSION 4</p>	
12:00-13:00	Lunch break		Lunch break		

Time	Main Hall	Parallel Hall I	Parallel Hall II	Parallel Hall V (Poster Discussion)
13:00-14:30	<p>SYMPOSIUM 11: Eosinophilic esophagitis Chairs: Hania Szajewska & Sami Bahna</p> <p>Approaching a child with a suspicion of EoE</p> <p>Which elimination diet?</p> <p>New treatments • Jonathan Spergel (USA)</p>	<p>SYMPOSIUM 12: Horizons in food allergy Chairs: Alexandra Santos</p> <p>Managing nut allergy: what are the remaining challenges?</p> <p>What specific IgE diversity tells us about egg allergy?</p> <p>Probiotics and oral immunotherapy in peanut allergy</p>	<p>WORKSHOP 7: How to design the clinical trials in children</p> <p>EMA PIP and beyond</p> <p>How to improve the patients involvement</p> <p>Perspective from the EAACI Task force • Philippe Eigenmann (Switzerland) & Antonela Muraro (Italy)</p>	POSTER DISCUSSION SESSION 5
				POSTER DISCUSSION SESSION 6
Time	Main Hall	Parallel Hall I	Parallel Hall II	Parallel Hall V (Poster Discussion)
14:30-16:00	<p>SYMPOSIUM 13: Immunomodulation: the new frontier for allergy treatment?</p> <p>Immunomodulation for food allergy</p> <p>Immunomodulation in asthma • Martin Ege (Germany)</p> <p>Any role for fatty acids? • Liam O'Mahony (Ireland)</p>	<p>WORKSHOP 8: Real-life outcomes in pediatric asthma and food allergy</p> <p>OIT in Europe: outcomes from an EAACI Task force • Montserrat Alvaro-Lozano (Spain) & Pablo Rodriguez del Rio (Spain)</p> <p>How can we maintain efficacy post the desensitization protocol? • Giovanni Pajno (Italy)</p> <p>Pediatric Asthma in Real Life (PeARL): Addressing controversies in Paediatric Asthma • Nikos Papadopoulos (Greece)</p>		
			<p>15:20-16:00 PRO-CON SESSION 3: Children with allergic asthma should be treated with biologicals PRO: Antoine Deschildre (France)</p>	<p>15:20-16:00 PRO-CON SESSION 4: Oral immunotherapy should be offered to most patients with food allergy CON: Kirsten Beyer (Germany)</p>
16:00-16:30	CLOSING SESSION
