

PAAM 2019 Programme Overview

Thursday • 17 October 2019

Time	Main Hall	Parallel Hall I	Parallel Hall II	Parallel Hall III	Parallel Hall IV
08:00-10:30		<p>HIGH LEVEL SUMMIT ON PRIMARY IMMUNODEFICIENCIES EAACI Working Group on Immunodeficiencies - Section on Immunology & Section on Pediatrics in collaboration with the Italian society for Clinical Immunology and Allergy – SIICA</p> <p>8:15: Welcome Isabella Quinti Montserrat Alvaro-Lozano Antonella Muraro Jurgen Schwarze</p> <p><u>Session I: From disease discovery to patient management</u> Chairs: Jurgen Schwarze & Anna Sediva 8:30: Precision medicine for PID, Thomas Fleisher 9:00: New PIDs: from syndromes to individual disorders, Luigi Notarangelo 9:30: Next generation sequencing of PID: what, when, how, Despina Moshous 10:00-11:00: Clinical cases - 4 selected oral presentations Clinical cases award 11:15: Coffee break</p>	<p>POSTGRADUATE COURSE 1: Drug allergy</p> <p>8:15: Welcome Marina Atanaskovic Luis Moral</p> <p><u>Session I: Diagnostic approach to drug hypersensitivity in children</u> Chair: Marina Atanaskovic 8:30-9:00: Skin tests and in vitro testing, Luis Moral 9:10-9:40: Drug provocation tests, George du Toit</p> <p><u>Session II: Perianesthetic allergy</u> Chair: George du Toit 9:40-10:10: Diagnosis of perianesthetic allergy in children, Francesca Mori 10:10-10:40: Clinical cases, Sofia Tsabouri 10:40-11:00: Coffee break</p>	<p>POSTGRADUATE COURSE 2: Allergy and Asthma Diagnosis</p> <p>8:15: Welcome Graham Roberts Zuzana Diamant</p> <p><u>Session I: Asthma. Diagnostic approach</u> Chair: Graham Roberts 8:30-9:10: Recurrent wheezing and virus, diagnostic challenge in predicting asthma, William Sheehan 9:10-9:50: Functional diagnosis in asthma, Graham Roberts 9:50-10:30: Cells and biomarkers in asthma diagnosis, Zuzana Diamant 10:30-11:00: Clinical phenotypes of asthma, Adnan Custovic 11:00-11:30: Coffee break</p>	<p>POSTGRADUATE COURSE 3: Chinese Medical Education Association (CMEA) and Asia Pacific Academy for Pediatric Allergy, Respiriology and Immunology (APAPARI) Symposium</p> <p>8:30-9:00: Welcome & Opening Remarks</p> <p><u>Session I: Diagnostic and therapeutic advances in the management of asthma and allergic rhinitis</u> Chairs: Antonella Muraro & Kunling Shen 8:30-9:00: Diagnostic difficulties and treatment options for wheezing infants, Adnan Custovic 9:00-9:30: Latest advances in managing atopic asthma, Gary Wong 9:30-10:00: Immunotherapy for Allergic Rhinitis and Asthma -What you need to know (subcutaneous, sublingual or oral immunotherapy), Susanne Halken 10:00-10:15: Coffee break</p>
10:30-11:00	Coffee Break				
11:00-12:30		<p>HIGH LEVEL SUMMIT ON PRIMARY IMMUNODEFICIENCIES</p> <p><u>Session II Present and future of disease treatment</u> Chairs: Laia Alsina & Eleonora Gambineri 11:30: Molecular therapy of signalling defects, Raffaele Badolato 12:00: HSCT for PID associated with autoimmunity, Andrew Cant 12:30: Gene therapy in PID, TBA 13:00: Haploidentical HSCT in PID, Franco Locatelli 13:30: Lunch</p>	<p>POSTGRADUATE COURSE 1: Drug allergy</p> <p><u>Session III: Drug hypersensitivity</u> Chair: Francesca Mori 11:00-11:30: NSIAD hypersensitivity, Davide Caimmi 11:30-12:00: Hypersensitivity to anticonvulsant drugs, Ozlem Cavkaytar</p> <p><u>Session IV: Oncologic and biological drugs desensitization</u> Chair: Sofia Tsabouri 12:00-12:30: Oncologic drugs desensitization. Protocols, Marina Atanaskovic 12:30-13:00: Biological drugs desensitization. Protocols, Jean-Christoph Caubet 13:00-13:30: Clinical cases, All faculty</p>	<p>POSTGRADUATE COURSE 2: Allergy and Asthma Diagnosis</p> <p><u>Session II: Allergy diagnosis</u> Chair: Lars Poulsen 11:30-12:10: The Use of Component-resolved Diagnostics and mHealth in a Clinical Decision Support System for Pollen Allergy, Paolo Matricardi 12:10-12:50: Hands-on! Using a Clinical Decision Support System (CDSS) with Clinical Cases, Stephanie Dramburg 12:50-13:30: Accuracy of Basophil Activation test in allergy diagnosis, Alexandra Santos</p>	<p>POSTGRADUATE COURSE 3: Chinese Medical Education Association (CMEA) and Asia Pacific Academy for Pediatric Allergy, Respiriology and Immunology (APAPARI) Symposium</p> <p><u>Session II: The dos and don'ts in the management of patients at risk for developing eczema and food allergies</u> Chairs: Susanne Halken & Gary Wong 10:15-10:45: The current challenges in the management of allergies in China, Kunling Shen 10:45-11:15: Optimal management of eczema, Lauri-Ann Van der Poel 11:15-11:45: Diagnostic and treatment approach of food allergies, Antonella Muraro 11:45-12:00: Closing Remarks</p>
12:30-13:00	Lunch Break for Postgraduate Courses' participants				

PAAM 2019 Programme Overview

Thursday • 17 October 2019

Time	Main Hall	Parallel Hall I	Parallel Hall II	Parallel Hall III	Parallel Hall IV	Posters Area
13:00-13:05	WELCOME ADDRESSES					
13:05-14:30	<p>PLENARY SESSION 1: Precision medicine in Pediatric allergy and immunology Chairs: Montserrat Alvaro-Lozano & Antonella Muraro</p> <p>Individualizing the approach to rhinitis: nasal barrier and the troublesome allergic rhinitis • Peter Hellings (Belgium)</p> <p>Tailoring asthma management in children • Graham Roberts (UK)</p> <p>Precision medicine for immunodeficiencies • Luigi Notarangelo (USA)</p>					

PAAM 2019 Programme Overview

Thursday • 17 October 2019

Time	Main Hall	Parallel Hall I	Parallel Hall II	Parallel Hall III / Posters Area
14:30-14:40	Shifting Break			
14:40-16:10	<p style="text-align: center;">SYMPOSIUM 1: Vaccines development and Immune functions early in life Chairs: Harald Renz & Cecilia Berin</p> <p>Mucosal Immunity and Mucosal Microbiome: Impact on vaccine development, allergy and autoimmunity • Pearay L. Ogra (USA)</p> <p>The impact of different lifestyle conditions in asthma and allergy development • Donata Vercelli (USA)</p> <p>Can we get protection from asthma; the hygiene hypothesis from bench to bedside • Harald Renz (Germany)</p>	<p style="text-align: center;">SYMPOSIUM 2: Allergy and the skin Chairs: Elena Galli & Charlotte Mortz</p> <p>Allergic contact dermatitis in children • Anna Belloni Fortina (Italy)</p> <p>Practice guidelines for chronic urticaria • Carsten Bindslev-Jensen (Denmark)</p> <p>New treatments for atopic dermatitis • Charlotte Mortz (Denmark)</p>	<p style="text-align: center;">WORKSHOP 1: Adherence: how much does it matter? Chairs: Roberto Bernardini & Ulrich Wahn</p> <p>Risk factors and psychological profile for non-adherence: how to address them? • Bruce Bender (USA)</p> <p>Adherence from a patient's perspective • Mary-Jane Marchisotto (USA)</p> <p>Adherence: perspective from the real life • Ulrich Wahn (Germany)</p>	ORAL ABSTRACT SESSION 1
16:10-16:25	Coffee Break			
16:25-17:55		<p>16:25-17:25 INDUSTRY SATELLITE SYMPOSIUM 1</p> <p>Supported by: Nutricia / Danone</p>		POSTER VIEWING SESSION 1
17:55-18:00	Shifting Break			
18:00-19:30	<p style="text-align: center;">SYMPOSIUM 3: Horizons in food allergy Chairs: Alexandra Santos & Anna Nowak-Wegzyn</p> <p>Managing nut allergy: what are the remaining challenges? • Helen Brough (UK)</p> <p>What specific IgE diversity tells us about egg allergy? • Kirsten Perrett (Australia)</p> <p>Probiotics and oral immunotherapy in peanut allergy • Wayne Shreffler (USA)</p>	<p style="text-align: center;">SYMPOSIUM 4: Addressing the child's nose Chairs: Gianluigi Marseglia & Antonella Muraro</p> <p>Rhinitis in children: one size doesn't fit all • Glenis Scadding (UK)</p> <p>Patient's focused treatment: are current antihistamines tailored for the pediatric age? • Zoltan Novak (Hungary)</p> <p>Quality of life in children with allergic rhinitis • Pablo Rodriguez del Rio (Spain)</p>		POSTER VIEWING SESSION 2
19:30-20:30	<p>OPENING SESSION Awards Presentation</p>			
20:15-22:00	Welcome Reception			

PAAM 2019 Programme Overview

Friday • 18 October 2019

Time	Parallel Hall III	Parallel Hall IV	Parallel Hall V (Poster Discussion)	Parallel Hall VI	Parallel Hall VII	
07:30-08:30	<p>LEARNING LOUNGE 1: Controversies in allergy: hypersensitivity to antihistamines and steroids Sami Bahna (USA) & Pasquale Comberiati (Italy)</p>	<p>LEARNING LOUNGE 2: Why is this child's asthma not well controlled? Enrico Lombardi (Italy) & Susanne Lau (Germany)</p>	<p>LEARNING LOUNGE 3: Oral Food challenge: preparation from the nurse and the dietitian perspective Britt Jensen (Denmark) & Alice Toniolo (Italy)</p>	<p>LEARNING LOUNGE 4: Rash in children: it is not always allergy! Charlotte Mortz (Denmark) & Stefania Arasi (Italy)</p>	<p>LEARNING LOUNGE 5: Provocation test in children: nasal and conjunctival Jean-Luc Fauquert (France) & Ana Prieto del Prado (Spain)</p>	
Time	Main Hall					
08:30-10:00	<p>PLENARY SESSION 2: Frontiers in food allergy Chair: Antonella Muraro & Yukihiko Ohya</p> <p>Food allergy at the cross-over between prevention, diagnosis and food allergen management • Clare Mills (UK)</p> <p>Food immunotherapy: new evidence on the mechanisms • Cecilia Berin (USA)</p> <p>Biomarkers to support decision making in clinic • Kirsten Beyer (Germany)</p>					
10:00-10:30	Coffee Break					
Time	Main Hall	Parallel Hall I	Parallel Hall II	Parallel Hall III	Parallel Hall IV	Parallel Hall V (Poster Discussion)
10:30-12:00	<p>SYMPOSIUM 5: Managing immunodeficiency Chairs: Raffaele Badolato & Laia Alsina</p> <p>New perspectives in immunodeficiency • Thomas Fleisher (USA)</p> <p>Immunodeficiencies and autoimmune diseases • Raffaele Badolato (Italy)</p> <p>Gene therapy TBA</p>	<p>SYMPOSIUM 6: Food protein enterocolitis – FPIES Guidelines (This symposium will be jointly with the FPIES USA Patient's organization) Chairs: Alessandro Fiocchi & Carina Venter</p> <p>Pathogenesis • Antonella Cianferoni (USA)</p> <p>What is missing in the diagnostic pathway? • Anna Nowak-Wegzyn (USA)</p> <p>Elimination diet • Jean-Christoph Caubet (Switzerland)</p> <p>The patient's burden • Fallon Schultz (USA)</p>	<p>WORKSHOP 2: Recurrent wheezing in pre-school children Chairs: Nikos Papadopoulos & Omer Kalayci</p> <p>Recurrent wheezing in pre-school children • William Sheehan (USA)</p> <p>Severe bronchiolitis profile and risk of recurrent wheeze at 3 years of age • Antoine Deschildre (France)</p> <p>Treatment of preschool wheeze • Adnan Custovic (UK)</p>	<p>ORAL ABSTRACT SESSION 2</p>	<p>ORAL ABSTRACT SESSION 3</p>	<p>POSTER DISCUSSION SESSION 1</p>
						<p>POSTER DISCUSSION SESSION 2</p>

PAAM 2019 Programme Overview

Friday • 18 October 2019

Time	Main Hall	Parallel Hall I	Parallel Hall II	Posters Area	Parallel Hall III	Posters Area / Parallel Hall IV
12:00-13:00	Lunch break		Lunch break	CLINICAL VILLAGE	Lunch break	
13:00-14:30	<p>SYMPOSIUM 7: Understanding severe asthma Chairs: Zuzana Diamant & William Sheehan</p> <p>Understanding mechanisms and improving management • Rob Lemanske (USA)</p> <p>Uncontrolled asthma: what I am missing? • Graham Roberts (UK)</p> <p>Has allergen immunotherapy a role in asthma and severe asthma? • Susanne Lau (Germany)</p>	<p>12:15-13:15 LUNCH INDUSTRY SATELLITE SYMPOSIUM 2</p> <p>Supported by: Nestlé Nutrition Institute</p>			POSTER DISCUSSION SESSION 3	POSTER VIEWING SESSION 3
	<p>13:30-14:30 INDUSTRY SATELLITE SYMPOSIUM 3</p> <p>Supported by: Aimmune</p>		POSTER DISCUSSION SESSION 4			
14:30-16:00	<p>SYMPOSIUM 8: Food allergy from lab to clinic Chairs: Ronald van Ree & Clare Mills</p> <p>IgE and IgG towards allergen components as biomarkers of food allergy • Ronald van Ree (Netherlands)</p> <p>Food allergy severity predictions based on cellular in vitro tests • Alexandra Santos (UK)</p> <p>Hypoallergen immunotherapy for food allergy • Lars K. Poulsen (Denmark)</p>	<p>WORKSHOP 3: Should we ban the pets in 2019? Chairs: Jean-Luc Fauquet & Arne Host</p> <p>Pets – protective or risk factors? • Clare Murray (UK)</p> <p>Making an accurate diagnosis of pet allergy • Marianne van Hage (Sweden)</p> <p>How to get rid of allergy but not of the cat • H. James Wedner (USA)</p>	<p>WORKSHOP 4: Allergen immunotherapy: what are the cost benefits? Chairs: Ruchi Gupta & Susanne Halcken</p> <p>Socioeconomics and Health economics of allergic diseases • Job van Boven (Netherlands)</p> <p>Assessing cost effectiveness of OIT for food allergy • Matthew Greenhawt (USA)</p> <p>Immunotherapy for respiratory allergy: is the cost worthwhile? • Jean Bousquet (France)</p>	<p>Asia Pacific Association for Pediatric Allergy, Respiriology and Immunology –</p> <p>APAPARI SYMPOSIUM “Childhood Anaphylaxis: Lessons we learn when East meets West” Chair: Gary Wong</p> <p>Severity of food allergy in children and adolescents across Europe: results from the Europrevall outpatient clinic study • Montserrat Fernandez-Rivas (Spain)</p> <p>Food induced anaphylaxis from Asia- the common and not-so-common allergens that you should know • Punchama Pacharn (Thailand)</p> <p>The fishy stories of seafood allergy from around the world • Agnes Sy Leung (Hong Kong)</p>	<p>14:30-15:10 PRO-CON SESSION 1: Biologicals are effective and safe in food allergy Chair: Kari Nadeau & Thomas Casale</p> <p>PRO: David Fleischer (USA) CON: Jonathan Hourihane (Ireland)</p>	
	<p>15:10-16:00 PRO-CON SESSION 2: Intermittent Therapy with High Doses of Inhaled Glucocorticoids When Children Enter into the Yellow Zone and are Not Receiving Maintenance Inhaled Glucocorticoids is effective Chair: Graham Roberts</p> <p>PRO: William Sheehan (USA) CON: Susanne Lau (Germany)</p>					
16:00-16:30	Coffee break				Coffee break	

PAAM 2019 Programme Overview

Friday • 18 October 2019

Time	Main Hall	Parallel Hall I	Parallel Hall II	Parallel Hall III	Parallel Hall IV	Posters Area
16:30-18:00	<p>WORKSHOP 5: Drug allergy in children Chairs: Marina Atanaskovic & Elio Novembre</p> <p>Diagnosis of drug allergy in children • Francesca Mori (Italy)</p> <p>Diagnosis and management of reactions to vaccines • Jean-Christoph Caubet (Switzerland)</p> <p>Protocols for drug allergy desensitization in children • Davide Caimmi (France)</p>	<p>WORKSHOP 6: OIT for Wheat allergy Chair: Giovanni Pajno & Carla Jones</p> <p>OIT as an effective therapy for wheat allergy? • Anna Nowak-Wegzyn (USA)</p> <p>OIT as an effective therapy for wheat anaphylaxis • Motohiro Ebisawa (Japan)</p> <p>Balancing the benefits and adverse reaction of OIT for wheat allergy • Mika Makela (Finland)</p>	<p>INDUSTRY SATELLITE SYMPOSIUM 4</p> <p>Supported by: Nutricia / Danone</p>	<p>ORAL ABSTRACT SESSION 4</p>	<p>ORAL ABSTRACT SESSION 5</p>	<p>POSTER VIEWING SESSION 4</p>

PAAM 2019 Programme Overview

Saturday • 19 October 2019

Time	Parallel Hall III	Parallel Hall IV	Parallel Hall V (Poster Discussion)	Parallel Hall VI	Parallel Hall VII
07:30-08:20	LEARNING LOUNGE 6: Oral immunotherapy protocols for milk / egg • Giovanni Pajno & Antonella Muraro • Montserrat Alvaro-Lozano & Marta Vasquez-Ortiz • Stefania Arasi	LEARNING LOUNGE 7: Oral Food challenge: preparation from the nurse and the dietitian perspective • Britt Jensen & Alice Toniolo	LEARNING LOUNGE 8 Managing allergy and asthma at school • Rob Lemanske & Lynne Regent	LEARNING LOUNGE 9 Are skin test before oral test with betalactam necessary? • Luis Moral, Marina Atanaskovic & Simona Barni	LEARNING LOUNGE 10: How to publish in a scientific journal • Philippe Eigenmann & Doris Kollmann
Time	Main Hall	Parallel Hall I	Parallel Hall II	Parallel Hall III	Parallel Hall VI
08:30-10:00	PLENARY SESSION 3: Prevention of allergy and asthma: still a realistic goal? Chairs: David Fleischer (USA) & George Du Toit (UK) Can understanding of epigenetics improve prevention? • Kari Nadeau (USA) Does targeting the skin matter for prevention? • Gideon Lack (UK) Prevention of food allergy – the new guideline • Susanne Halken (Denmark)				
10:00-10:30	Coffee break				
10:30-12:00	SYMPOSIUM 9: Special products for cow's milk allergy	INDUSTRY SATELLITE SYMPOSIUM 5 Supported by: ALK	SYMPOSIUM 10: Improving care in adolescents and young people with allergies and asthma Chairs: Liz Angier (UK) & Marcia Podesta (Italy) What are the challenges? • Katharina Blumchen (Germany) Optimising self management • Marta Vasquez-Ortiz (UK) Managing anxiety • Laura Polloni (Italy)	YEAR in Review in collaboration with PAI Chairs: Philippe Eigenmann & Ulrich Wahn Update on respiratory diseases • Omer Kalayci (Turkey) An update on epidemiology of allergic diseases • Jon Genuneit (Germany) An update on food allergy • Alexandra Santos (UK)	ORAL ABSTRACT SESSION 6
12:00-13:00	Lunch break	LUNCH INDUSTRY SATELLITE SYMPOSIUM 6 Supported by: Mylan	Lunch break		

PAAM 2019 Programme Overview

Saturday • 19 October 2019

Time	Main Hall	Parallel Hall I	Parallel Hall II	Parallel Hall III	Parallel Hall V (Poster Discussion)
13:00-14:30	<p>SYMPOSIUM 11: Eosinophilic esophagitis Chairs: Hania Szajewska & Sami Bahna</p> <p>Approaching a child with a suspicion of EoE • Salvatore Oliva (Italy)</p> <p>Which elimination diet? • Carina Venter (USA)</p> <p>New treatments • Jonathan Spergel (USA)</p>	<p>SYMPOSIUM 12: Anaphylaxis management Chairs: Antonella Muraro & Motohiro Ebisawa</p> <p>Unraveling anaphylaxis: alpha gal and beyond • Thomas Platts-Mills (USA)</p> <p>Auto-injectors: which type and how many? • George Du Toit (UK)</p> <p>Reducing the risk of severe reactions • Hugh Sampson (USA)</p>	<p>13.15 13.40 PRO-CON SESSION 3: Children with allergic asthma should be treated with biologicals Chair: Thomas Casale (USA) & Leyla Namazova-Baranova (Russia)</p> <p>PRO: Antoine Deschildre (France) CON: Adnan Custovic (UK)</p>	<p>ORAL ABSTRACT SESSION 7</p>	<p>POSTER DISCUSSION SESSION 5</p> <hr/> <p>POSTER DISCUSSION SESSION 6</p>
Time	Main Hall	Parallel Hall I	Parallel Hall II		
14:30-16:00	<p>SYMPOSIUM 13: Immunomodulation: the new frontier for allergy treatment? Chair: Antonella Muraro & Roberto Berni-Canani</p> <p>Immunomodulation for food allergy • Anna Nowak-Wegzyn (USA)</p> <p>Immunomodulation in asthma • Markus Ege (Germany)</p> <p>Any role for fatty acids? • Liam O'Mahony (Ireland)</p>	<p>WORKSHOP 8: Real-life outcomes in pediatric asthma and food allergy Chairs: Lynne Regent & Brian Vickery</p> <p>OIT in Europe: outcomes from an EAACI Task force • Montserrat Alvaro-Lozano (Spain) & Pablo Rodriguez del Rio (Spain)</p> <p>How can we maintain efficacy post the desensitization protocol? • Giovanni Pajno (Italy)</p> <p>Pediatric Asthma in Real Life (PeARL): Addressing controversies in Paediatric Asthma • Nikos Papadopoulos (Greece)</p>	<p>15:20-16:00 PRO-CON SESSION 4: Oral immunotherapy should be offered to most patients with food allergy Chair: Hugh Sampson (USA) & Montserrat Fernandez-Rivas (Spain)</p> <p>PRO: Alessandro Fiocchi (Italy) CON: Kirsten Beyer (Germany)</p>		
16:00-16:30	CLOSING SESSION
